Beschreibung: Sequenzierungsdienstleistung - Sanger Sequencing Service

Oggetto: Sequenziamento - Sanger Sequencing Service

| Art des Services tipo servizio | Bedarf/Jahr necessità/anno | Geschätzter Bedarf der nächsten vier Jahre Necessità stimata per i prossimi quattro anni |
|--|-------------------------------|---|
| Single tube sequencing incl. repetition of failed runs | 800 | 3200 |
| PCR clean-up of single samples | 20 | 80 |
| Plate sequencing (96 samples) | 15 | 60 |
| PCR clean-up of template plates (96 samples) | for 12 plates | 48 |
| Plasmid preparation from plates (96 samples) | for 3 plates | 12 |
| Primer synthesis | 25 | 100 |

Mindestanforderungen / Requisiti minimi:

- DNA sequencing read lengths up to 1000 bases or more in Phred20 quality.
- Kostenlose universelle Primer sind verfügbar / primer universali sono disponibili senza costi aggiuntivi.
